## About the Club

The club was started in January 2000 to provide Tiger owners and anyone else who may be interested to have a means of communicating with like-minded people.

As it is not practical for all members to be able to meet up on a regular basis a monthly newsletter is produced. The membership fees go to the running costs of the club to produce the newsletter and fund the club insurance.

The club holds public liability cover for the members. Details are on the club website

The club organises runs out, attendance at shows, pub meetings and other events across the region. However due to the area the club covers we can't know about everything in your local patch. So if you know of a show / venue / pub then you are encouraged to let the events co-ordinator know.

The club is very active, and growing all the time, so why not join us. Just complete the form on the back or alternatively join via the website.

When we process your membership application you will be contacted with the details of your membership. A welcome pack will follow by post and includes a free EATOC sticker for your car.

All information provided here will be used by EATOC to process your membership. By providing contact details (any of email address, telephone number, postal address) you are granting permission for the club to contact you by these methods.

The information provided will be stored in the database for the period of your membership. If you resign from the club then the your information will be removed from the database within 10 working days of the club being notified.

If a member has not informed us of their decision to resign and 3 months have passed since a renewal offer was sent out then their information will be removed

Upon booking and being permitted to participate in the Event, I hereby waive, release, and forever discharge, for myself, my heirs, executors, administrators and legal representatives, any and all rights and/or claims which I have, may have, or may hereafter accrue to me against the Organiser, its officers, directors, employees, consultants, agents and event sponsors for any and all damages, personal injuries (including death), and/or claims which may be sustained by me or my vehicle directly or indirectly arising out of my participation in the Event (including the

application of emergency or medical services at the Event) even if the damages, injuries (including death), and/or claims are caused by the negligence of those persons listed above or otherwise (including out of the transportation of my vehicle by air arranged by the Organiser) save that nothing in these Terms and Conditions shall be construed as excluding or limiting the Organiser's liability for personal injury or death arising from its negligence or the negligence of persons under its control. Further, I covenant not to sue the Organiser, its officers, directors, employees, consultants, agents and Event sponsors for any and all damages, personal injuries (including death), and/or claims which may be sustained by me directly or indirectly arising out of my participation in the Event. This release and discharge includes, but is not limited to, claims for personal injury, death, property damage, economic loss, breach of contract, lost wages, contribution indemnity, indemnity, punitive damages, negligence, or any other legally recognisable claim arising out of my participation in the Event (including all legal costs associated with such claims).

### 5. Indemnity

I hereby agree to release, defend, indemnify, and hold harmless the Organiser, its officers, directors, employees, consultants, agents, Event sponsors and licensees and assigns from and against any and all claims, demands, damages, suits, liabilities or actions arising directly or indirectly out of my actions or otherwise from my participation in the Event whether made or claimed during or after the Event, including all associated costs and expenses and any amounts which the Organiser may pay as a settlement or compromise of any such claims or liabilities.

### 6. Behaviour

I hereby agree to treat all fellow members with respect and courtesy at all times. Failure to comply may result in action being taken to suspend or remove a member from membership of the Club. It is the duty of all members to report an alleged breach of behaviour to the Committee immediately and in writing.

### Conclusion

I have read this waiver, fully understand its terms, and understand that I have given up substantial rights by signing it. I have done so freely and without inducement, coercion, or duress. I intend this waiver to be a complete and unconditional release of all liability to the greatest extent allowed by law. I agree that, if any portion of this waiver is held to be invalid, the balance of the waiver shall continue in full force and effect.
